

Birko TempoTronic

Over-sink Boiling Water

Boiling water when you need it for kitchens large or small.

BOILING

High quality & low maintenance – Australian designed and manufactured from 444 grade stainless steel with built in safety over temperature cut out and a polished stainless steel outer case. Comprehensive 12 month warranty.

Twin-Tank technology – utilises the steam generated from boiling water to pre heat the incoming cold water, improving recovery and reducing energy consumption.

Suits your needs – all models feature durable polished stainless steel case and an optional timer is available.
