

Trueheat is an Australian designed brand of commercial cooking equipment. Constructed from stainless steel with a Type 4 matt finish.

Powerful 24MJ open burners with individual standing pilots included.  
100% Flame failure cut-off for safety. Piezo ignition on concealed burners.  
Matt finish Euro look cast iron trivets radiate heat and design makes it easy to move pots around the surface.

15mm thick steel griddle plate with 22.5MJ burner per 300mm section.

30MJ static oven with three oven racks fit to removable vertical rack guides which provide 6 rack heights. Oven racks are fabricated from 304 stainless steel. Interior oven panels are coated with black vitreous enamel for ease of cleaning.
